

## AN OASIS OF LUXURY AND TRANQUILITY

Welcome to the 5\* Ajul Luxury Hotel & Spa Resort, an ideal travel experience that provides unique options to both business and leisure seeking travellers.

## HOTEL GENERAL INFORMATION

The hotel is located on the beach of Agia Paraskevi village, famous for its splendid crystalline waters and pine tree forests, while the natural thermal springs of the region renowned for their exclusive therapeutic properties, make Ajul Luxury Hotel & Spa Resort a unique retreat. Ajul Luxury Hotel & Spa Resort is in total harmony with the natural environment, built in an alluring setting of forests, where the natural tranquility and the traditional natural elements are prominent. Apart from the luxury of its accommodations, the hotel guarantees a unique culinary experience to its guests through its 3 restaurants and 4 bars that are based on the local tradition and take guests on a unique culinary journey of local cuisine and present-day flavors. The restaurants are supplied with fruits, vegetables, and herbs from the hotel's own lush gardens, which are accessible to guests. However, the luxury journey goes on! Due to the great therapeutic tradition of the region since antiquity, the natural healing properties are brought to hotel guests in an exceptional way through its one-of-a-kind Spa Center, which offers massages, body and facial treatments based on the ancient tradition elements. Ajul Luxury Hotel & Spa Resort is not the perfect destination just for relaxation seekers. With its capacity to host events and conferences for more than 350 delegates, Ajul Luxury Hotel & Spa Resort is indeed an exceptional choice for those in pursuit of the perfect venue for such occasions.
