RESTAURANTS AND BARS

Kos island presents a rich culinary tradition based on Mediterranean flavors with the purest of natural ingredients. KoSea Boutique Hotel offers tasty delicacies of the Greek and Mediterranean cuisine and a large selection of food choices at its restaurant and two bars.

- The **Island Restaurant** offers recipes, inspired by Mediterranean cuisine and local culinary tradition, made with top-quality ingredients
- **KoSea Bar** with enchanting sea views, provides mesmerizing cocktails, cold beer, various energizing beverages, and tasty meals such as club sandwiches, hot dogs, and burgers
- **Blue Pool Bar** offers cocktails, beverages, and snacks in an idyllic setting with comfortable sun loungers around the pool

SPORTS & ENTERTAINMENT

- **Swimming pool & kids pool area:** the perfect hangout for everyone, with a large outdoor swimming pool and a shallow pool for young children, this idyllic place provides a sense of rejuvenation and invigoration
- **Indoor Gym:** equipped with treadmills, stationary bikes, along with a large variety of other training equipment, the hotel gym helps you keep up with your fitness routine while on holidays
