## CATERING

### ZUCCA

Our cuisine is inspired by French culinary traditions, with a local touch that highlights some Lyonnais specialties. Our generous and flavorful dishes are prepared with care and passion by our Chef, Cédric Szajnerman, and his team. The menu, refined and gourmet, evolves with the seasons to offer you the best local products. In fine weather, the large terrace of the Zucca facing the *Tête d'Or* park becomes a must-come for your professional gatherings or your *apéro-pétanque* with your friends or family. To fully enjoy the weekend, gather at the Zucca for a BBQ or its emblematic Sunday brunch according to the season.
